Vic & Linda Braden
Cornerstone Construction Group, Inc.
707 Torrance Blvd., Suite 100
Redondo Beach, CA 90277

Dear Vic & Linda,

Thank you for the work that you and your volunteer team did at the Morrell House as part of the Sharefest 2008 Annual Workday! I had heard so much about you over the past year and am glad I was finally able to meet you both! Your team was professional, friendly, and ready to work! We cannot thank you enough for your past and current contributions to the restoration and maintenance of the Morrell House! The City's Birthday Celebration was held in Heritage Court the following day and we received several comments on how great the Morrell House looks!

It is through the generosity of you and Sharefest that the Historical Society is able to maintain its custodianship of the City's Morrell House so that we can bring the early 20th Century to our membership and the community.

Thank you for such a wonderful gift and best wishes!

Deborah Jackson
President, Redondo Beach Historical Society
